

REMARKS:

Reconsideration and removal of the grounds for rejection are respectfully requested.

Claims 10-14 were in this application, claims 10, 11 and 13 have been cancelled and claims 12 and 14 have been amended.

The rejections under 35 USC 112 first and second paragraph have been rendered moot by this amendment. The applicant has accepted the examiners' suggestion and placed claim 12 in independent form, and corrected the amount of camphor. Claim 12 is now in condition for allowance. Also, claim 14 has been amended to be commensurate in scope with allowable claim 12, rendering moot the rejection under 35 USC 103(a) and claim 14 is also believed to be in condition for allowance.

Based on the above amendments and remarks favorable consideration and allowance of the application is respectfully requested. However, should the examiner believe that direct contact with the applicant's attorney would advance the prosecution of this application, the examiner is invited to telephone the undersigned at the number given below.

Respectfully submitted,
